Fireside Grille

AKELEY, PENNSYLVANIA

Thank you so very much for choosing the ***Fireside Grille*** for your event. Please look over our menu and choose up to three items. To give you the best service possible, please provide us with a listing of your guests and their choices. A spreadsheet is a great tool to organize that information. Simply make a top row with headings for “name” and “meal choice” and then fill in your guest’s name and selection accordingly.

In addition to the price of the menu items, please add \$2 for beverage and \$3 for dessert. To tabulate your bill, we then add 20% gratuity and 6% Pennsylvania sales tax. So, if you ordered our Reuben sandwich (\$10) and had a beverage (\$2) and dessert (\$3), the final bill would look something like the following:

Reuben on Rye	\$10
Coffee	\$2
<u>Dessert</u>	<u>\$3</u>
Sub-total	\$15
Gratuity	\$3
<u>PA Sales Tax</u>	<u>\$0.90</u>
TOTAL	\$18.90

For those wanting legal beverages with their meal, the Fireside Grille has an accommodating B.Y.O.B. policy, and for a nominal setup fee we will gladly service that request.

If you’d like to bring in a special dessert, we will handle that with ease. We can setup a table, if needed, and supply you with all the necessary table service.

If pre-ordering, please forward your selections to us 7 days in advance. This gives us enough time to order the freshest ingredients from our suppliers so we can give you the best dining experience. Otherwise, we will review our banquet choices with you and build a menu that best suits your event.

We are here to serve you, so don’t hesitate to call with any questions. You can call/text me at 814.688.4633 or email me at jbortzjr@grilledgreat.com. Thanks again for choosing us for your special occasion!

Sincerely,

Char-grilled classic that is always on point. A half-pound hand pressed burger topped with a thick slice of cheese. You choose the toppings to make it the way you like.

Down Towner 10

We layer sautéed mushrooms and bacon strips and cover it with a slice of swiss cheese. Then we give it enough heat to melt the flavors to perfection.

Bleu cheese and beef just go together and when we pile fresh bleu cheese crumbles on bacon and onion straws, you'll agree.

When you bring BBQ beef and cheddar together, great things always happen. We layer fresh onion straws with strips of bacon. A stampede of flavors coming your way.

DINNER

Fireside Caesar with Salmon 15

Romaine halves basted with olive oil and lightly grilled. Garnished with tomato, onion, croutons, and olives. Topped with our homemade dressing Caesar.

Seafood Alfredo Sinatra 18

Our alfredo is a special blend of Mediterranean cheeses, the freshest cream, and seasonings. Shrimp, scallops, and crabmeat are sautéed and served over a piping hot bed of fettucine noodles.

Maryland Soft Shell Ciabatta 15

We have a limited supply of this seasonal favorite, so get it while you can! Served on a fresh Ciabatta roll, and stacked with tomato, bacon, asparagus, spring greens, and our special crab dressing, a battered crab is served along with our wedge fries and cole slaw.

Hand-cut Delmonico 22

We carefully trim each steak from a side of ribeye, and season it with our secret blend of Fireside Grilling spices. We then prepare it to your order, but we recommend "medium rare" to savor all the flavor of this select cut of beef. Served with a side of bearnaise sauce, broccoli a la parmesan, and baked potato.

Club Sirloin 16

Prime cut sirloin served over our onion straws and topped with a saute of portabello mushrooms and bleu cheese. Served along with our very own bearnaise sauce, broccoli a la Parmesan, and a side of our fresh made mashed potatoes.

Deep Fried Haddock 14

A delicately sweet haddock is lightly battered and served with our wedge fries and fresh hushuppies. We complete this classic dish a generous serving of cole slaw and all the cocktail and tartar sauce you can ask for!
