PRO-SHOP *SPECIAL!*

Any purchase of \$100 or more gets a

FREE CHGC HAT!

**Offer ends June 30th, or while supplies last.*

JOIN US FOR OUR PAVILION GRAND OPENING...

On June 1st, we are celebrating our new pavilion with a buffet dinner, dinner music, party favors, prizes, and an after-dinner band: Sudden Urge (from Buffalo). The pavilion has been a big project, so after dinner we are giving away a big list of door prizes, including a miter saw, Ninja Creami (frozen treat maker), flat screen TV, and over a dozen others!

We are hoping for a warm night, so we can open the big doors and enjoy the music after dinner. The band comes highly recommended, and their lead singer, Lisa Christie, is a former Mrs. America (click on the musical notes at right to see Lisa and the band!) Tickets are \$50 and you can buy them at the pro shop or online: [Buy Grand Opening Tickets Here](#).

It will be a memorable night with friends, good food, prizes, an unbeatable view, and dancing.

We hope to see you on June 1st!!!

Grand Opening Prizes Include:

...AND OUR GRAND OPENING TOURNAMENT!

At 8 AM on June 1st, we will tee off on the three new holes for the first time! Play in our two-person tournament, where every player tees off and the team then plays alternate shots.

Win a new car with a hole in one on new #5 or new #13! Win prizes from our large tournament purse in 3 different divisions. Enjoy many gifts...all to celebrate Cable's new world-class golf holes!

GREEN SPEED

Provided the growing conditions cooperate, Cable Hollow's green speeds will soon get faster. We have had to baby our greens in order to protect all the green sod we moved last fall. But as the roots take hold, we will be ramping-up green speeds across all 18 holes.

Our Superintendent, Jerry Martin, has over 40 years' experience, and we've asked him to use that experience to apply a special focus to our greens. You will see Jerry on the greens daily, supervising and working personally to insure that all 18 play consistently, smoothly, and with a speed that will bring a new level of excitement.

Jerry has been doing testing and reports that the roots on the three new greens are already several inches long. Soon we will have the new greens cut to the height of all the others. And by the end of June, we will cut all the greens even a fraction shorter. That new height, combined with rolling and some other tricks Jerry has mastered, will make for a new experience when you walk on to all 18 greens. Have fun...and maybe see Patrick for a lesson on how to lag your putts!

ANNOUNCING RECIPROCAL AGREEMENTS WITH TWO SPECIAL COURSES!

Our golf course changes have piqued the interest of some special neighboring courses, and we have arranged reciprocal rounds with [Venango Valley Golf Course](#) and [Elkdale Country Club](#). Venango Valley is a little over an hour drive; Elkdale is a bit under; and both are definitely worth the drive!

Under the reciprocal agreements, Cable Hollow members will be entitled to play at the reciprocal courses without paying greens fees. In exchange, Cable Hollow will offer the same benefit to members of the reciprocal courses.

Please follow these procedures to play reciprocal rounds:

- Bookings can **ONLY** be made through our Director of Golf, Jake McCollough. Jake will call and make the tee time at the reciprocal course.
- Each player must pay the reciprocal cart fee (usually \$30).
- Proper golf attire is required.
- No outside coolers.

See Jake for specific details for each reciprocal club.

This is a superb member benefit. We were honored to be asked to participate and are pleased to bring this opportunity to our membership. We hope you take advantage!

NEW SCORECARDS AND COURSE RATING

When we open the new golf holes on June 1st, we will need new scorecards. To obtain these, a new course rating is needed. We were scheduled to be rated by the Western PA Golf Association several weeks ago. However, they had to delay that rating to May 13th. The new rating data is now being processed and we hope to get the new rating to the printing company in time to have new scorecards for June 1st. It will be close.

If it doesn't happen in time, we apologize in advance. We had everything planned...but some things are beyond our ability to control. If we don't have the new scorecards on June 1st, we will have a temporary solution for the few days or weeks until the new scorecards arrive.

2024 MEN'S MEMBER GUEST

Cable Hollow will host a Men's Member Guest July 26th and 27th. The tournament committee already has plans and sponsors. This is going to be a fun and memorable inaugural event. Be sure to mark your calendars! Details will be published soon.

STARTERS

When we open the new course layout on June 1st, we will also commence using starters on week-ends and busy evenings. The Cable Hollow starters will record your cart number, tell you of any cart path or other restrictions, and answer all questions about the course. Most important, the starters will keep pace of play moving. The starters will make sure that players tee off at the assigned times, that no one sneaks onto #4 or #7 tees, and that players making the turn are keeping up with a pace that lets everyone have fun.

The starter will be easy to find...we are putting in a starter hut by the #1 tee. And if you need help during a round, call the pro shop; the starters will have access to a cart so they can assist you on the course.

CABLE MEMBERSHIP

Our membership roster has increased this year, and we think that means good things for our first-ever Men's Member Guest July 26th & 27th (see article on page 3).

Buy a \$200 food card for our restaurant and enjoy 10% off your 2024 golf membership fee. Also, returning 2023 members who recruit a new member for the 2024 season will receive ten 18-hole ½-cart rentals!

THURSDAY NIGHT HAPPY HOUR LEAGUE

Come play in Jake's new Thursday night league. You play your own ball, and you don't need any team members. The fee is \$10/week. If you don't play in a given week, you don't have to pay that week. After play, join us in the clubhouse for Happy Hour Specials.

NEW COURSE LAYOUT

Reminder: When we open the new holes on June 1st, the front 9 will play normally, except you will be enjoying new holes 5 and 6.

On the back 9 we will be undertaking construction on old #11 to make it a par 5 (opening summer 2025). During construction, we will temporarily play hole 11 (old #12) as a par 3. Play will proceed as follows: after finishing hole 10, players will travel down the hill, around the construction, to the #11 temporary tee area (south of the tee boxes for new hole # 5). Number 11 will play as a par 3 across the pond. Old hole 13 will then become #12.

In 2024, #12 will still play as a par 5, bringing the course to a par 71. (In 2025, #12 will become a par 4 and #11 will become a par 5, taking the course to its permanent status of par 72.) Upon finishing #12, players will move to #13 (the new par 3) and then continue to #14, finishing the back 9 as normal.

Bar & Restaurant Hours

Sunday: 11:00–7:00

Monday: 11:00–7:00*

Tuesday: 11:00–8:00

Wednesday: 11:00–8:00
