## CABLE HOLLOW FEATURED IN INDUSTRY PUBLICATION

What an honor, for Cable Hollow and its team to be featured in Golf Course Industry online magazine's October 2024 issue! The article was written by the magazine's publisher and editor-in-chief, Guy Cipriano. That he was impressed with Cable Hollow and our staff is evident in the article. Arthur, Tyler, Jerry and Joanne were all interviewed and included in the article.

*"Solitude and wildlife comprise a significant part of Cable Hollow's charm. Golf, after all, represents an escape. Life distractions seem distant as Stewart and Tyler describe why elevating Cable Hollow has become a central part of their busy lives."*

You can read the entire article at <https://www.golfcourseindustry.com/article/cable-hollow-golf-course-pennsylvania-renovations/>.

## THE PLACE TO HOLD YOUR NEXT EVENT

Our fabulous new event center now has a website of its own, too! Check it out at [www.timberhavenevents.com](http://www.timberhavenevents.com). This site features many photos of the stunning space, views, and snapshots from many of the events we have hosted since opening Timber Haven. It also has information on rental rates, add-on services available, and more.

The photos give you a taste of Timber Haven's versatility and how we can host your reunion, party, or other special gathering. Contact us with any questions or to schedule a consultation or visit. ## COURSE CONSTRUCTION UPDATE

We are very happy with how the new chipping green turned out and we are currently working on new tee boxes at hole 12. Over the winter, we will be working on hole 11 (which will become a par 5) and we will be building additional tee boxes.

*Chipping green under construction.*

*Laying sod on the new blue tee at hole 12.*

*Mack guarding the future site of gold tee on hole 12.*
